

Non Cancelable - Non Returnable Agreement

Dear Valued Customer:

In order to better support your business needs, Lintech Components is pleased to purchase the following item(s). However, because to the nature of the products(s) listed below in your Purchase Order #: _____, dated: _____, their respective manufactures consider them special items; therefore you **cannot return, cancel or reschedule** them. The delivery schedule listed on your subject purchase order is a firm, non-cancelable schedule for the quantities of such products ordered and the delivery date indicated.

In the event you desire to cancel your subject purchase order or to re-schedule deliveries of any said products, you may request Lintech Components to determine if the manufacturer(s) of such products will accept cancellation of their return with a cancellation or re-stocking charge. If the manufacturer will accept a cancellation or return with such a charge, Lintech Components will so advise you, and you will have the option either to pay the amount of such charge to Lintech Components or to accept delivery of the goods and pay for them at the contract price. If the manufacturer will not accept return of the product(s), it is your absolute, unconditional obligation to accept delivery thereof and to pay for such products at the contract price. Re-scheduling of deliveries is at the sole option of Lintech Components.

This agreement relates to your Purchase Order # _____, and to the following products ordered thereon:

| Part No. | Quantity | Part No. | Quantity |
|----------|----------|----------|----------|
