This Center has received your QSLD re-application information dated December 3, 2015 to re-qualify to the Qualified Suppliers List of Distributors (QSLD) Program. Based on our review, your facility, CAGE Code 0N439, located at 710-08 Union Parkway, Ronkonkoma, NY is considered a qualified distributor eligible to supply FSC 5961 and 5962, military and commercial grade product, as dictated under the Criteria and Provisions document for the QSLD Program. All devices are to be controlled and managed from your Ronkonkoma, NY location.

This qualification is valid for three years from the date of this letter and can only be terminated by written notification from this Center. For the duration of the qualification period, the distributor is subject to periodic reviews by this Center or its representatives and agrees to meet the requirements set in the Criteria and Provisions document for the program. At the end of the three year period, your company must resubmit an application to remain in the program.

The acceptance of your company into this program does not relieve the distributor of its contractual obligation to deliver product that complies with all specification requirements. If you have any questions, please call Mr. Deslich at 614-692-0593.

Sincerely,
